

# MIDNIGHT

By Lana Ceranic

drew for you:  
Gordana C.

Don't worry little guy, we will get you off

Hey, I'll put  
the cat  
down.  
Stay here!

Hi, my name  
is Izumi  
Kato.  
Nice to meet  
you  
Hanako-char

Thank you,  
my name is  
Hanako  
Aikawa

This is maybe a strange question,  
but do you live nearby?

Yeah, kind of. I'm one street away from here.  
But I have better question. What are we  
going to do with the cat.

Oh, yeah. I will take her.

Oh, I was just on my way to downtown, so I will  
buy her food and other stuff.

Ok then. I live in the street number 57/4

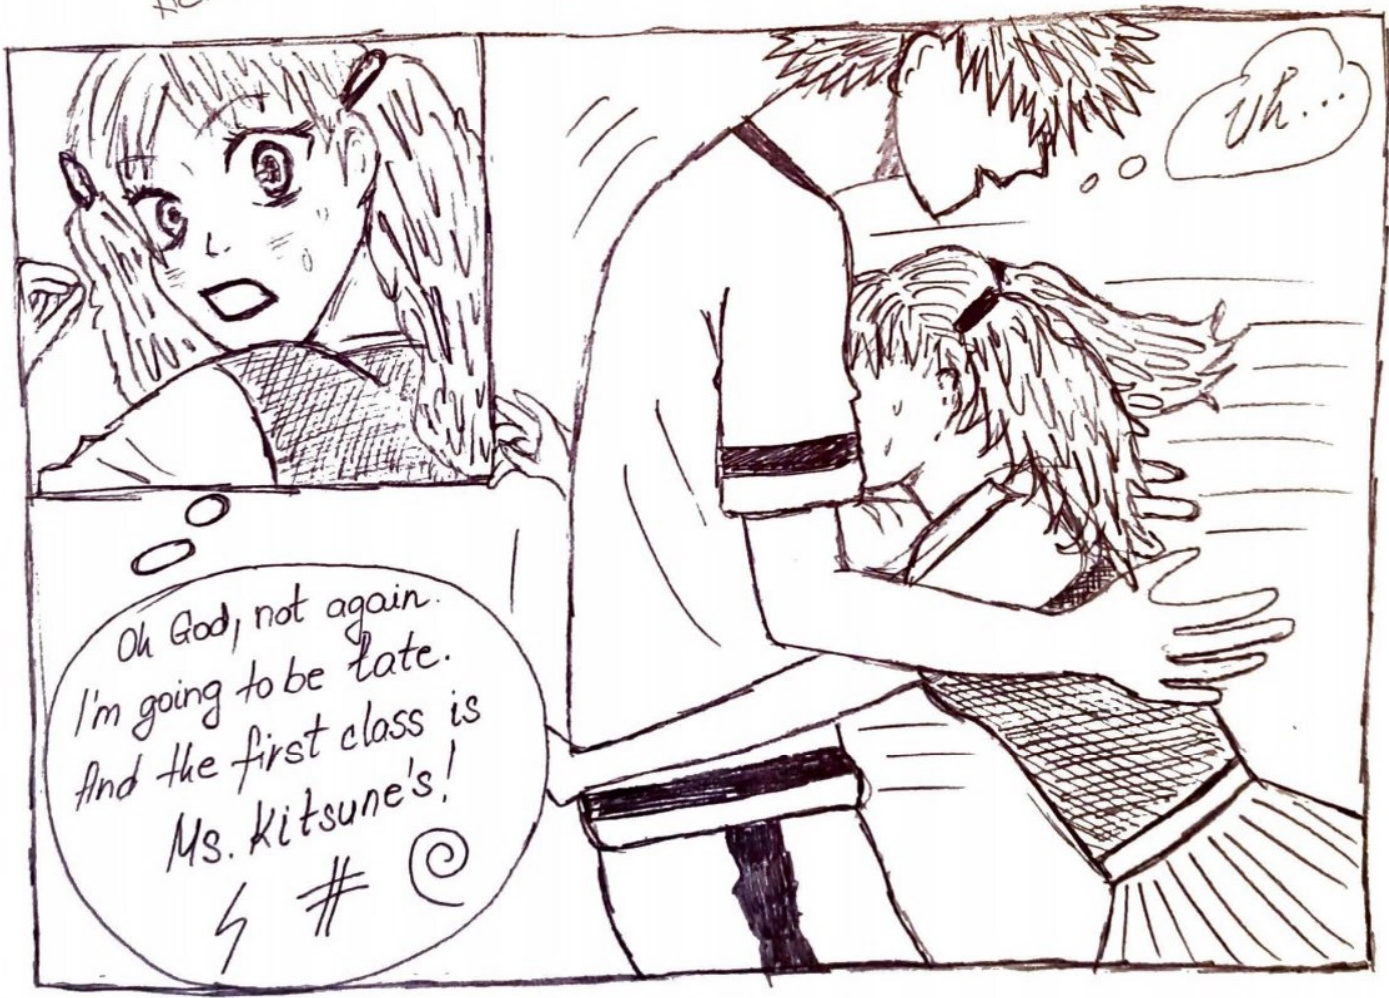

Ok, just so you know I live in the street 58/10

See you later Izumi-sau.

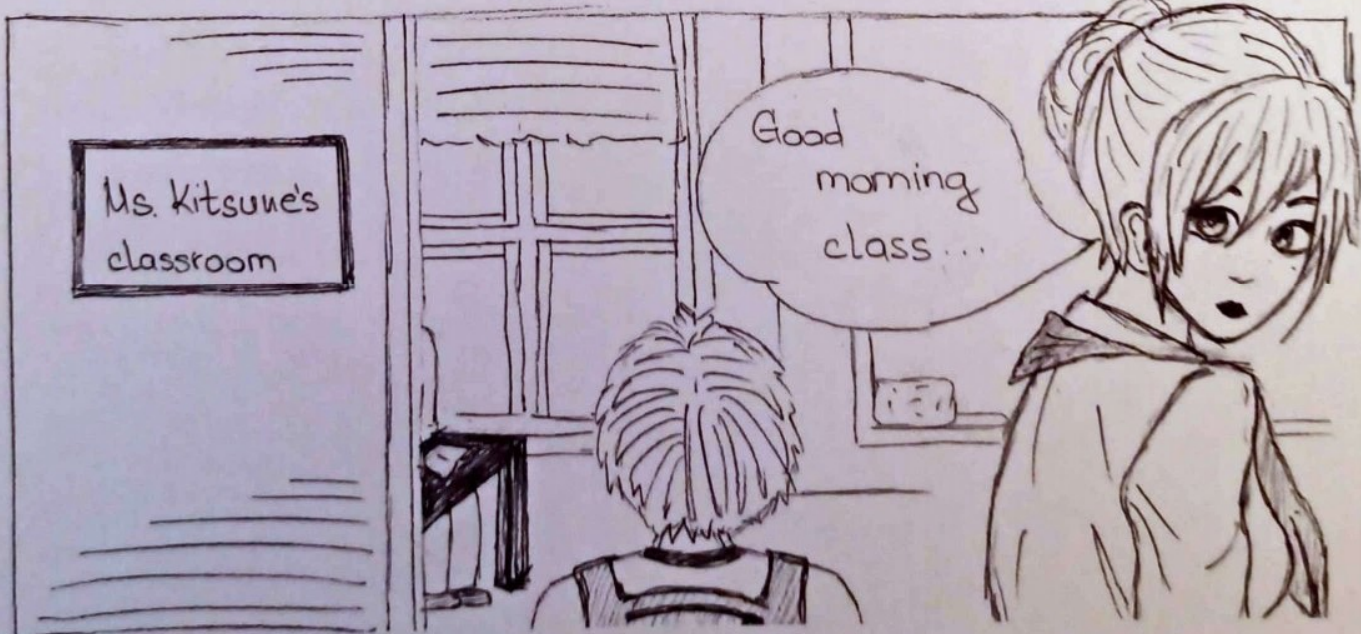

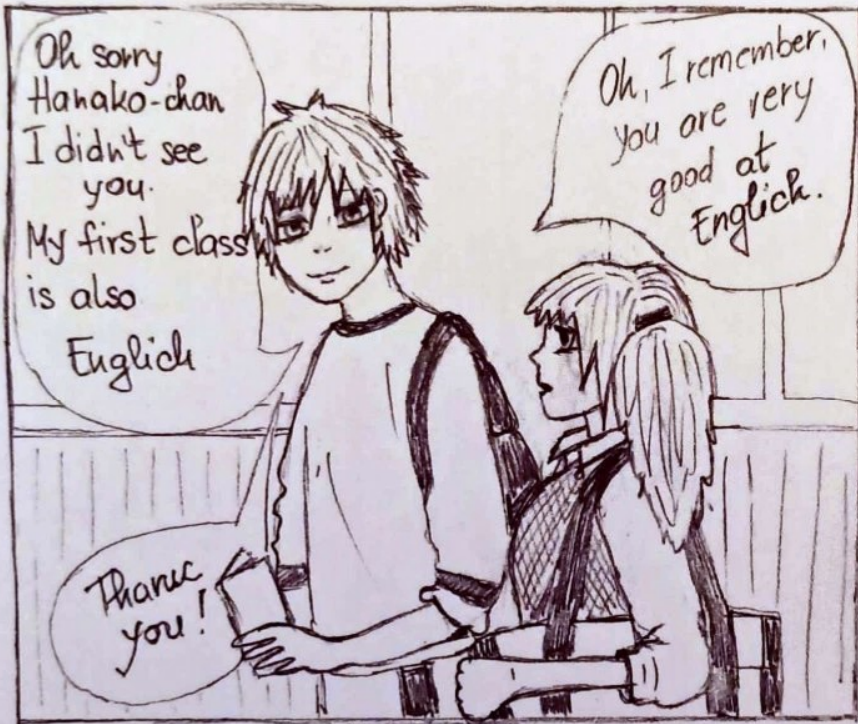

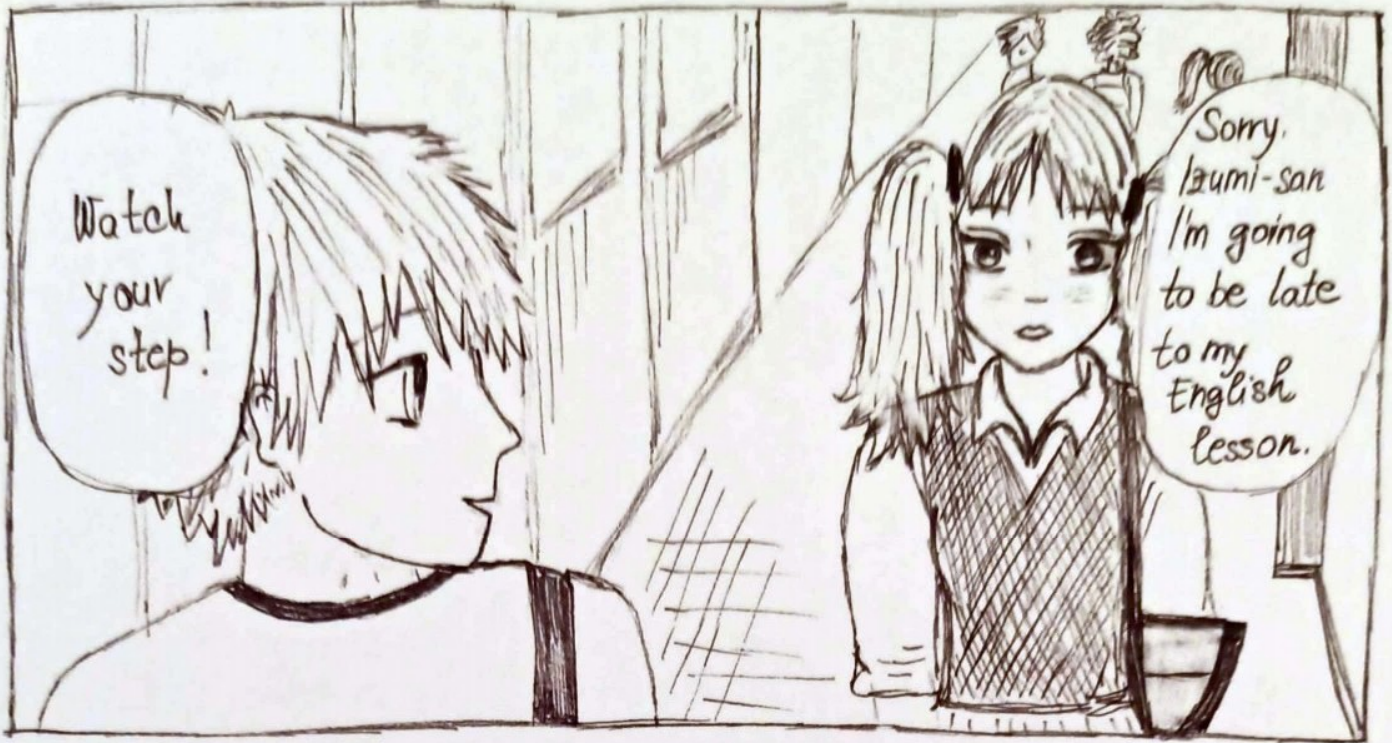

Next morning

One year later ...

Good morning Hanako-chan, how are you?

Good morning Izumi-san, I am very good. Thank you for asking!

Hanako-chan, I wanted to ask you something

Yes, Izumi-san ask whatever you want.

Okey, so I would hate if this ruins our friendship, but I want to tell you that I like you more than a friend

I am happy that we share the same feeling, for each other Izumi-san.

The End
